SUMMARY

Computer Science Engineering student with strong problem-solving skills and hands-on experience in Java, Spring Boot, React, and AI-based applications. Solved 600+ LeetCode problems and built full-stack and LLM-integrated projects through internships and hackathons.

EXPERIENCE

National Informatics Centre (NIC) Software Engineering Intern

Oct 2025 – Dec 2025
Erode, India

- Developed one of the core modules for the e-Record Room digital solution of the Erode Collectorate using Spring Boot, PostgreSQL, JPA, and HTMX.
- Implemented efficient data rendering techniques for large database records and improved table-based data navigation.

HackerRank Campus Crew Ambassador*

Jan 2026 – Present
GCE Erode

- Conducted coding events, promoted competitive programming, and mentored students as a selected campus representative.

PROJECTS

AI Code Debugger (CLI Tool) [GitHub Link](#)

Python, Hugging Face API, Qwen-2.5-7B

- Built a CLI tool that detects errors from source files, generates fixes using LLMs, and updates the code automatically.
- Integrated Qwen-2.5-7B using Hugging Face Inference API for automated debugging workflows.

Smart Campus Hackathon Portal [Live Demo](#)

React, Tailwind CSS, Firebase

- Built and deployed the official registration platform for Smart Campus Hackathon '26.
- Managed participant onboarding and event workflows using Firebase.

Job Application Tracker [GitHub Link](#)

React, Spring Boot, MySQL, Spring Security

- Developed a full-stack recruitment tracking system for managing job applications.
- Implemented secure authentication using Spring Security with MySQL integration.

SKILLS

- Languages:** Java, Python, C
- Backend:** Spring Boot
- Frontend:** React, Tailwind CSS
- Databases:** SQL, MongoDB
- AI/ML:** Hugging Face, LLM Integration
- Tools:** Git, GitHub, IntelliJ IDEA

ACHIEVEMENTS

- Built a fully proctored placement management system and secured **Top 4** among 30+ teams in AgentVerse AI Project Expo (2026).
- Secured **1st Prize** in CodeQuest and Inferno among 50+ participants from various colleges at Government College of Technology, Coimbatore.
- Secured **1st Prize** among 25+ teams from various colleges in CrackNCode at PSG Institute of Technology and Applied Research.
- Secured **2nd Prize** among 50+ participants from various colleges in an Inter College Coding Contest at Kongu Engineering College.
- Secured **2nd Prize** for presenting a paper on Hallucination-Free AI using RAG among 50+ participants from various colleges at Kongu Engineering College.
- HackerRank:** 5 Star Gold Badge in Java and Python, 4 Star Silver in Problem Solving and C.
- LeetCode:** Solved 600+ problems with a 300+ day consistency badge.

EDUCATION

Government College of Engineering, Erode
B.E. Computer Science and Engineering
CGPA: 8.90 / 10 (Till 5th Semester)

Erode, India
2023 - 2027
